● Terms & Conditions

This is an initial request for membership with Steel Plus Network and does not guarantee acceptance into the Network.

Applicant Information:

Company Name:

Address:

Representative: _____ Phone Number: _____

Product(s)/Service(s) Offered: _____

PLEASE ANSWER THE FOLLOWING:

- Why do you want to join Steel Plus Network as a preferred supplier?

- Which product(s) do you have to offer that the members of our Network may not already have?

- How will you create regular engagement with the membership and the SPN Team?

- What region(s) do you serve and/or are willing to serve in Canada and the United States?

- Finally, why do you feel your company would be a great fit for our Network?

Note:

Upon receipt of this application, SPN will advise the representative listed above of the status of their membership application. Should the application proceed to the next steps, a \$1,000 CDN/US* deposit will be required to continue for consideration. Should the membership be approved, the deposit will be applied to the annual membership fee. *Deposit dependent upon the country where the organization's head office is located.

Networking Benefits of Supplier Membership with SPN

Steel Plus Network has traditionally organized meetings for members to provide opportunities for improvement to each of their operations through educational presentations, motivational messages and industry expert reports. These meetings also fulfill our mission to coordinate our purchasing programs and networking opportunities. The regional meetings conducted by SPN along with the Annual General Meeting are deemed vital to the health and welfare of SPN's members and are considered an integral part of our operation.

The networking component of SPN includes the sharing of best practices and the opportunity for suppliers to engage with members to discuss solutions to meet their business needs.
